# Peacemaking Efforts in the Horn of Africa

## 1 Ethiopia-Eritrea Peace Agreement

Ending decades of conflict and border disputes between the two countries.

## 2 Somali Reconciliation

Mediating peace talks and supporting reconciliation efforts in Somalia.

## 3 Regional Cooperation

Encouraging cooperation and dialogue between countries in the Horn of Africa.

## 4 Promoting Democracy

Enacting political and economic reforms in Ethiopia and promoting democratic values in the region.

# The Path Forward for Sustainable Peace

1

## Addressing Root Causes

Addressing underlying factors such as poverty, inequality, and resource scarcity.

2

## Building Trust

Strengthening relationships and fostering dialogue between conflicting parties.

3

## Promoting Inclusive Governance

Creating a system that fairly represents all segments of society.

4

## Investing in Development

Investing in education, healthcare, and infrastructure to improve living standards.
